“The Resurrection: It’s Importance and Its Impact”

April 16, 2017

1. What proof do we have that Jesus rose from the dead (1 Corinthians 15:3-8)? Why does it not seem to be enough for many people today?
2. What are the consequences of “still being in your sins” and how does the resurrection of Jesus remedy them (1 Corinthians 15:17)? (See also Romans 6:4)
3. How should the victory of the resurrection or seeing your present circumstances through the lense of eternity with your risen Savior impact the way you live your life today (1 Corinthians 15:51-55)?

Read John 20:1-18 before answering the following questions:

4. How does or has the resurrection of Jesus helped you to cope with hopes and dreams that have been dashed?
5. How might focusing more on the person of Jesus, rather than life’s circumstances, change or improve aspects of your life?
6. How would focusing more on the fact that you are truly forgiven change or improve aspects of your life?
